## ‘Name the Bear’ Competition

To mark the anniversary of the 5th year since the opt scheme in Wales and the organ donation of Fraser Bear Bates, we at ‘Believe’ are pleased to announce a new limited edition bear to our Believe Family.

We ask for your names to be sent together with the reason behind the name by the 29th November 2020 so we can announce the name of the new bear on the 1st December 2020 the anniversary of the opt out. If the same name is suggested twice, we will pick the lucky winner out of the hat.

The winners name will be used and you will have the FIRST donated bear delivered to you by Fraser bear Bates, the mascot, on the 7th December, the date of Fraser’s donation. The bear will be hand delivered in Cardiff and posted if the winner lives further afield.
